Regents Meet In Regular Session

The regular Fall meeting of the Board of Regents was held at Barium Springs the first week of October. Two new members were enrolled and presented to the Board. They are Mr. Charles Hagan, Greensboro, N. C. from Orange Presbytery, and Mr. Ennis Jackson, Gastonia, N. C. from Kings Mountain Presbytery. Because of the change of membership it was necessary to elect some new officers and appoint some new committee chairmen. Mrs. Fred L. Smyre of Gastonia was elected vice-president and Reverend N. R. McGeachy was elected secretary to the Board. Mr. N. R. Edgerton was appointed chairman of the Committee on Farms; Mrs. J. H. Matthews was appointed chairman of the Committee on Case Work; Reverend N. R. McGeachy was retained as chairman of the Committee on Education and Religion; Dr. S. E. Howie remains as chairman of the Committee on Buildings and Grounds; Mr. T. D. Blair is continued as chairman of the Committee on Finance and Budget.

The Board heard from the departmental heads of the phases of the work at the Home as to their needs and as to the progress in this year's plans.

Of special interest to the Board was the report of the Committee on Church Building which stated that the architect was in the process of preparing the working drawings for the new church and that as soon as these are in hand bids will be sought preparatory to letting the contract for the erection of the sanctuary.

Kiwanians Entertain Children at Fair

The Statesville Kiwanis Club continued their custom of long standing by inviting the boys and girls of the Home to be their guests at the Iredell County Fair. This is one of the highlights of the year and eagerly anticipated by each child.

Immediately after lunch the procession under the direction of Mr. R. G. Calhoun, principal started from the school to the fair grounds which is a quar-

Homecoming Plans Are Now Complete

Friday, October 23rd, is the big day for the Fall season. Alumni and friends of the institution are expected to be present for the activities which have been planned for the day. The highlight of the afternoon program will be the football game between the Presbyterian Tornadoes and the Fighting Methodists. This will take place at 3:30 p. m. on Sloan Field. The teams seem to be about evenly matched in strength and reserves and it shapes up to be one of the best games of the whole season from the spectator's point of view. These are two hard-charging teams finely coached by men who have been experts in the business for a long time.

Those who can reach the campus early will find the morning chapel program provided by the high school under the direction of Mr. R. G. Calhoun, principal. The Alumni Luncheon will be served at twelve o'clock, and among other things there will be the requested grits and sausage, reminding the former students of the days when they ate so much of that at Barium.

President W. A. Johnson of the Alumni Association will call a meeting of the Alumni immediately after the lunch hour and the place will be designated at that time.

The student body and staff anxiously await the coming of the annual event that brings back the former students who have recently graduated and others who in years gone by attended Barium Springs and come again with their families to renew old acquaintances and to see what the campus is like again. To each one a most

COTTAGE NEWS

Baby Cottage

It's been a long time since you have heard from us. Many things have happened at the Baby Cottage. Mrs. Potts is the boys new housemother. We've also had a new cottage girl, three new boys and two new girls to join us. They are Bernice Kuykendall, Percy and Leonard Utsman, Phoebe and Mitchell Brumley and Elizabeth Gregory.

Although right now we do not have the usual number of babies, we can assure you we haven't been idle. We've been busy doing general house cleaning, washing walls, scrubbing, varnishing and waxing floors and washing and polishing windows. There is a great improvement at Baby Cottage.

We enjoyed the Iredell County Fair very much. You should have seen the excitement on the faces of our babies as they entered the Fair Ground, when they saw the Ferris Wheels, train, Airplanes and Merry-go-Round. The Merry-go-Round was their pride and joy.

We want to thank everyone who had a part in making it possible for us to attend.

It's been nice having this little chat with you but we must go for now. We extend to you a cordial welcome so come on out to see us.

—Bernice Kuykendall
Addie McEwen

Annie Louise

Greetings Folks.

Here we are again bringing the cottage news.

If you have looked out your window you will see all the colorful trees and also the leaves falling from the trees to the ground. They are very pretty and make a beautiful scene.

We are also happy to have our new grass and think it very pretty, we hope to keep it the way it is.

We are all shaking in our shoes and wondering what we will make on our report cards. We are hoping we will make S's all the way down our report cards.

Everyone had a wonderful time at the Fair riding all the rides and eating our pop corn and cotton candy.

One little girl was wandering around by herself when an elderly person asked her who she was supposed to be with? The little girl with her big twinkling eyes looked up and said, "not a soul"! We saw at supper she had returned so we were very happy.

We are all looking forward for Halloween to come, and see all the funny faces and all the spooks appear at our front door.

We are very glad to get a new addition to our family, she is in the second grade and is very cute.

Our news has run out so we will see you next month.

Infirmary

Hi There,

Well, its been a long time since you have heard from us so we will begin with the news right off.

We have two new girls here at the Infirmary, they are Lena McLean and Joyce Kelly. They have turned out to be pretty good workers, for they and the other two girls picked figs and blackberries all summer until we have our new deep freeze packed.

We had a very delightful vacation this summer and hope you did too.

School started August 27 and we were glad to get back into the old routine again.

Our football team is pretty good this year, so far they have won two out of three games.

The Kiwanias Club invited us to the Fair September 23, and we all enjoyed ourselves very much, thanks to them.

Until next month this is the Infirmary girls saying good bye.

God's Picture Window

Dorothy Surles

Sitting by the window
Looking amongst the trees,
I see God's picture window
Built, the eye to please.
Each tree is spaced
With God's great care.
Each leaf is painted
With a flaming flare.
The grass so green,
Reaches its height,
And God's picture window
Is painted just right.

The above poem written by one of our last year's seniors is the result of a suggestion on the part of Miss Thompson in the school room one day that the Fall beauty at Barium Springs was a true inspiration with the maples and the oaks blending in a picture of splendor and beauty for all to enjoy.

Before the day was over she had received the copy which the student had prepared.

Fifth Grade

We are going to identify trees and leaves. We are going to make a path in the woods across the road from our school house. We are going to put a coat hanger in some wood and put the name of the tree on it and then put it in the ground. We have been going on walks. We went on a walk Tuesday and got many different kind of leaves. In health we have been studying about the skeleton of animals and on our walk we found a skeleton of a snake. I stayed with Miss Brandon my teacher. About five people stayed with her and I had the skeleton with me. Charles Berry is a boy in my room. He was one of the ones who was with us. He was afraid of the skeleton and we tried to put it on him and he ran. We have been having lots of fun.

We have 19 people in our school room. I am 11 years old. My hair is brown, and my eyes are brown too.

Regents Meet In

(Continued From Page One)

The Committee on Finance and Budget reported that a careful review had been made of the receipts and expenditures and that the Home was operating within its budget.

The special Committee on the Thanksgiving Offering reported that plans had been completed to send to all the churches an envelope of material containing posters, information, suggestions for procedure, and envelopes for the offering. It was called to the attention of the Board that there is no longer any promotional committee within the Synod on the Thanksgiving Offering. This committee was discontinued in the reorganization plans. It was also suggested that this be called to the attention of the church in order that each local congregation may take the initiative in laying plans for securing a good Thanksgiving Offering.

which provoked lively discussion on good child care procedure and wise administrative policies.

ter of a mile away, and soon they were making their way through the gates and inside the grounds.

The first half of the afternoon was spent viewing the exhibits and in watching the judging of the livestock in the arena. Then came the excitment of the rides. The Kiwanis Club had made arrangements with the carnival manager to have every ride open and running. So the Merry-go-round, the Ferris wheel, the Little Dipper, the Caterpillar, the Rock-O-Plane, the ships, the boats, the Shetland Ponies, and the swings were all kept busy for the boys and girls were hurrying from ont to the other to get a whirl. The shrieks, the yells, the sparkling eyes, and the laughter of the children was sure evidence that everybody was having a wonderful time. Peanuts, cotton candy, and red apples mingled together with the dust from the walkway made the Fair even taste good. The odor of hot dogs, hamburgers, and popcorn also gave a pleasant aroma. What could be more exciting or more thrilling to a young child than a whole afternoon of this?

When the rides were concluded the group was invited to the arena to see the special showing of the stage arts. As they entered the arena for this show refreshments were served by Mr. Walter B. Holshouser who was operating the 4-H Club refreshment stand. Then the procession back to the campus with a lingering look now and then toward the place of the afternoon's delight. The housemothers needed a dozen ears that night to listen to the children as they told about what they had seen and done. They are still talking and will be until the Fair time rolls around next year.

One of the managers of the Carnival who had been watching the children as they were riding said, "I have never seen anything like this; up in New York where I come from it sure is different." Thus, he was complimenting both the children and the Home. The next day the same person remarked to one of the adults from the Home that after he went to bed he just lay there and thought about those children and what he had seen and then went into the office and brought out a courtesy card asking this person to be his guest at all the shows in the carnival.

So, once again the Home and the boys and girls take off their hat to the Kiwanis Club of Statesville for a wonderful afternoon at the County Fair.
